This is not an articulation agreement. This chart should serve as a reference for Berkshire Community College students who eventually plan to transfer to Western New England University. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England University. Please reference our University Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

The following Berkshire Community College courses will count as satisfying Western New England University's general University requirements: PSY 107 Intro. to Psychology or SOC 105 Intro. to Sociology ; Any (HIS) History course (one); Any (two) BIO 101, BIO 102, CHM 101, CHM 102.

* Business courses from a college not accredited by AACSB that are determined to be equivalent to 300-400 level courses at Western New England University will be considered for transfer credit (up to 2 courses).

All course recommendations are for the below business majors: Accounting, Business Analytics and Information Management, Finance, General Business, Human Resource Management, Management & Leadership, Marketing, Marketing Communications/Advertising, Sport Management.

Business Analytics & Information Management - In order to complete the Business Analytics and Information Management degree at WNE in two additional years, students must take BAIM 221 - Statistics for Business Analytics at WNE prior to enrolling at WNE. Without this course it will take an additional year to complete this program.
